Subject: Mailing List

Dear Ms. Pastor :

I have enclosed two mailing lists for the NL Industries/Taracorp site in Granite City, Illinois. I printed all contents of the previous contractor's disks, and it appeared that the enclosed larger list was the master list. The only names that seemed to be missing were those on the file named VENICNEW.LAB. It seemed that these names had not been incorporated into the master list yet. I checked these lists over to the best of my ability given the quick turnaround you requested.

If you have any questions or require additional information, please do not hesitate to contact me at (708) 918-4147.

Very truly yours,
